

# Sistemi Operativi (MOD1)

*whois*

---

Gianluca Caiazza

# About Me

**Today:** *Assistant Professor* @ Ca' Foscari University of Venice

**2015:** BSc in *Informatics* @ Ca' Foscari

**2016:** MSc in *Computer Science* @ Ca' Foscari

**2018-2019:** Full-Time Researcher @ Gachon University (Seoul, South Korea)

**2020:** PhD in Cyber Security Researching Application-level Security for Robotic/Industrial Networks @ Ca' Foscari

**2021:** Research Fellow @ Software and System Verification Group - Ca' Foscari University of Venice

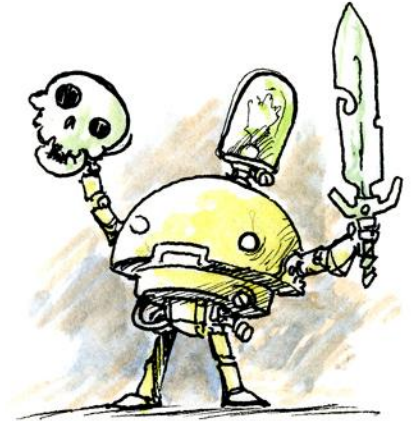

**...and More:** Co-Founder and CEO @ Secura Factors

# About Me

## Research Topics:

- Cybersecurity
- Robotic (Industrial) Networks
- Mathematical verification of properties in a multi-agent distributed environment
- Software Engineering and Architecture

# How to Contact Me

## You can find me:

1. via email: [gianluca.caiazza@unive.it](mailto:gianluca.caiazza@unive.it)
2. @ Campus: before/after lectures and during breaks I can answer some questions or book a meeting in the Office (or online)
3. 1-on-1 meeting: book an appointment via the link available on the course page: <https://calendly.com/gianluca-caiazza/1-1-meeting>

**Office hours:** Wednesday and Friday, 9:30 AM - 12:00 PM

- **Alternatively**, contact me either via email or at the end of the lectures to schedule an appointment outside of regular hours.

# How to Interact with Me

- **During lectures:** if you have a question regarding the current topic or want me to repeat some concepts, feel free to interrupt me.
- **After lectures:** if you need a more detailed answer.

If you have a question regarding a previous class, you can:

- Ask me at the end of the lecture
- Write me an email: writing things down can help you clarify the problem and (maybe) find a solution, or at least helps in asking the right question.
